I just opened this email ...

Department of Education – contact is Marcella Goodridge at 202 401 1993 (I have talked to her before and think she's good, approachable and friendly)

Small Business Administration – here's what I got from the DAEO list on the OGE website.
Don't know any of them:

I have more info on this.

Mnuchin apparently didn't speak to them due to a scheduling conflict but secretary de vos and administrator McMahon (small business) did speak to the group but in Washington DC.

Ryan,

I wanted to follow up on this request. How do things stand? Also, if we wanted to bump him up in the day, would that be possible? We were thinking 11:15 AM – 12:00 PM. As I mentioned, we are flexible, so no problem if not. We will accommodate him.

Thanks,

Jay

No, I've got it. No problem. I just need to run this through the scheduling because I think the Administrator would like to change his existing travel plans to accommodate this. Do you know when in the day he would speak?

Ryan,

I'm sure you're slammed so I wanted to kick this to the top of your box. Let me know if you need anything else.

Thanks,

Ryan,

Per my conversation with Samantha, I'd like to formally extend an invitation for Administrator Pruitt to speak at our upcoming American Opportunity Alliance meeting. The meeting will be on Thursday, September 28 in New York. We plan to gather from 8:30 AM – 4:00 PM and welcome him at any point during this window. We hope that the Administrator could address his role in the administration, the accomplishments to date, as well as his views on the current landscape.

Look forward to hearing back from you.

Best,

Jay
